

## CLARIFICATION ON MEDIA ARTICLE

Australian Securities Exchange  
18 March, 2013

Indochine Mining Limited (ASX: IDC) notes the article in the Australian Financial Review, 16-17 March, 2013.

The article makes reference to certain long term funding arrangements for the Mt Kare project.

Indochine would like to clarify that long term funding arrangements are not in place

Indochine will continue to update shareholders on the exploration results from the bonanza zones and other development activities.
