Dear Andrew

Request for Trading Halt

Indochine Mining Limited hereby applies for a trading halt on the Company's traded securities under Listing Rule 17.1 for a period of up to two days pending a material announcement to the market concerning a capital raising. The Company expects to make an announcement concerning the capital raising before trading commences on Monday 3 June 2013 to end the trading halt. The Company is not aware of any reason why the trading halt should not be granted.

We request confidentiality as this has been presented to a small group of brokers and institutions and therefore the market may not be fully informed.

This is not a material raising owing to the size of the capital raising of approximately \$5-6 Million (~9%).

Yours sincerely
Indochine Mining Limited
