Extension of Time to hold Annual General Meeting

13 February 2017
Company Announcements Office

Indochine Mining Limited (Subject to Deed of Company Arrangement) (ASX & POMSoX: IDC, the Company) wishes to advise that the Australian Securities & Investments Commission (ASIC) has granted the Company an extension of time to hold the Annual General Meeting (AGM) for the financial year ended 30 June 2016.

The Company is required to hold the AGM prior to 30 November each year. The extension granted by ASIC on 10 February 2017 allows the Company to convene the AGM on or before 28 February 2017.

The reasons for seeking extensions of time to hold the AGM was necessitated by:

- The Company being in external administration;
- The Company’s main asset being in dispute; and
- The proponent of Deed of Company Arrangement (DOCA) willing to fund only one shareholder’s meeting.

Shareholders will be advised of the relevant details of the AGM as soon as possible and, in any event, will be provided with 28 days’ notice.

In view of the insufficient time to provide the shareholders 28 days’ notice and the likelihood of the outcome Judicial Review of the decision by the Minister for Mining not to approve Summit Development Limited’s (SDL) application to renew the former exploration license 1093 for the Mt Kare project, estimated at being delivered by the PNG National Court in the second half of 2017, the Company will seek further extension as soon as possible.
