Company Announcement

To Shareholders

18 May 2020

Dear Sir / Madam

Indochine Mining Limited (Subject to Deed of Company Arrangement) ("the Company")
ACN 141 677 385

The Company wishes to advise that the Australian Securities & Investments Commission (ASIC) has granted the Company a further extension of time to hold the Annual General Meeting (AGM) for the financial year ending 30 June 2019.

The Company is required to hold the AGM prior to 30 November each year. The second extension granted by ASIC on 14 May 2020 allows the Company to convene the AGM by 30 November 2020.

The reason for seeking the further extension of time to hold the AGM was necessitated by:

• The Company is in external administration.

• The global Covid19 pandemic has caused delivery of the determination from the PNG Supreme Court of Appeal on the Minister for Mining’s decision not to renew Summit Development Limited application for an extension of Exploration Licence EL1093 to be further delayed as the Courts resumed operations on 11 May 2020 on a restricted and staggered manner as laid down in NJSS Protocol No 2 of 2020.

We are advised that normal Court listings have subsequently been delayed until at least June 2020.

• The proponent of the DOCA is willing to fund only one (1) shareholders’ meeting to deal with matters relating to AGM as well as for the shareholder approval for the issue of 10 million shares and 10 million options to the proponent of the DOCA after the status of the Company’s main asset is resolved.
Shareholders will be advised of the relevant details of the AGM as soon as possible and, in any event will be provided with 28 days' notice.

If you have any questions regarding the above, please contact Hendrik De Wet of this office on 08 9278 2067

Yours faithfully
Indochine Mining Limited
